

BEST OF LOCAL

It isn't just our food that shines a light on the farms, fields and seas of the Duchy. Cornwall is home to family-run vineyards, brilliant breweries and distillers of trend-setting rum, vodka and gin.

PADSTOW

TARQUINS GIN

Founded in 2012 this award winning gin is crafted on the wild Cornish coast. Distilled with 12 hand-selected botanicals in small batches in copper pot stills.

PENZANCE

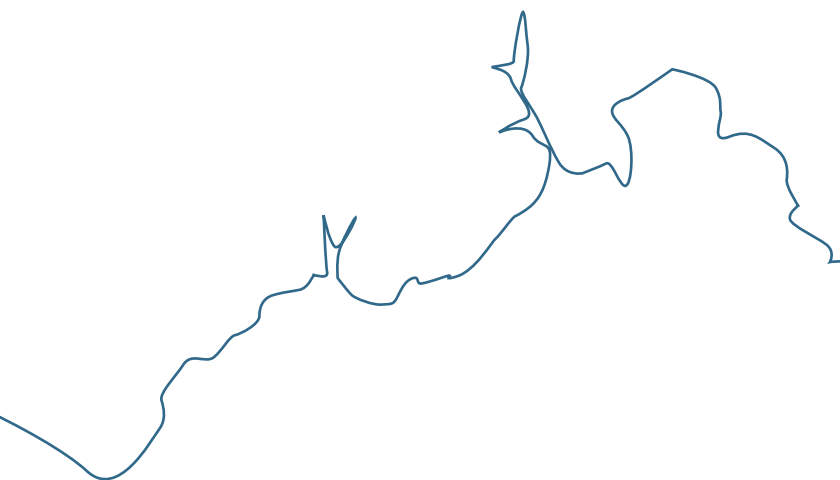

POCKETFUL OF STONES

Pocketful of Stones Distillery was launched by 4 friends. Handcrafted spirits, the distillery is only small but packs a punch. Nothing is automated and everything is done by taste and smell.

HELFORD RIVER

ROSEMULLION DISTILLERY

The Helford rainwater used in the fermentation and distillation process is complemented by local Cornish ingredients, including seasonal fruit from their own orchard and vines, ripened by the Cornish summer sun.
